

Ria

The Ria is available in Red, Black Patent, and Pearl.

These shoes have a generous medium width, easy slip on style, soft, full grain leather and a polyurethane, light weight, soft and flexible grip sole with built in soft spikes.

All styles of golf shoes and sandals have a built in orthotic insert. Made of high density foam, the unique StepSaver orthotic shape and cutaway heel cradle design not only provide better stability but, also helps to reduce athletic fatigue in your feet.

Since all styles of shoes are fully lined with a soft, micro fibre performance material, many women choose to wear no socks at all. To maintain shoe freshness, sock liners in shoes may be removed and washed by hand using a gentle detergent and allowing time for the liner to air dry completely.

The Ria is available in sizes 5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10 and 11.
